Thank you for your interest in becoming a volunteer at Nellie's. Please complete the following questions so that we may get to know you better.

1. How did you hear about Nellie's and what are your impressions of our organization?

2. Please list the reasons you are interested in doing volunteer work.

3. Please describe the skills, interests and experience you would like to share with Nellie's.

4. Please describe your knowledge and experience with issues of poverty, oppression and violence against women and children.

5. What issues do you think are critical when working with women and children who are homeless and victims of violence?
