## Supporting All Women and Children

*Shelter Education Advocacy*

Unfortunately, for the women & children who come to Nellie's Shelter, this right has been violated. Since 1973 Nellie's has provided shelter, dignity and hope to over 15,000 women and their children.

### AT NELLIE'S WE VALUE AND RESPECT THE WORDS OF SURVIVORS

Nellie's provides essential resources, programs, emergency shelter and protection. We are committed to effecting change and ensuring these voices are heard.

## Voices Heard

“We were encouraged to get involved and our voices were heard. By the time I left, I was strong enough to stand in front of a room and tell my story.”

“I was treated with respect. It was the first time I felt human in years, like I mattered.”

“Coming together and sharing our problems and solving them without fear is powerful.”

## Shelter Education Advocacy

Nellie's provides the resources for all women and children to have their voices heard. We are committed to effecting change, including removing barriers and improving the conditions that affect women's lives.

Nellie's provides essential programs to inform all women and children about their rights and responsibilities, and the services to which they are entitled.

*WHEN YOU THINK THINGS CAN'T  
CHANGE, YES THEY CAN. WITH YOUR  
HELP. TOGETHER, WE CAN BUILD A  
WORLD FREE FROM VIOLENCE.*

Everyday we witness the strength and courage of the women who arrive at our doors. Most arriving with just the clothes on their backs.
